

not only having "ZERO" waste but making something new out of the old (upcycling) -> workshops at the festival?

it's about EXPERIENCING zero waste, how can Emergent Berlin make the concept tangible for the visitors?

Justine is responsible

learn from the Zero Waste event organization of the OSCE Days

cooperate with Make Sense July Sense Camp (Marija)

OSCE days

Personal zero waste?

zero waste is not about having NO waste or drama at all, it's more about transformation! We need the mud to have a beautiful flower!

cultural zero waste?

social zero waste?

Aesthetic zero waste?

Economic zero waste?

ecological zero waste
